Auditor's Report: The following is an excerpt from the Report of the Independent Auditors, Seale and Beers, CPAs, as it appeared in Co.'s 2009 Annual Report:

"In our opinion, the financial statements referred to above present fairly, in all material respects, the financial

position of Nevada Processing Solutions (A Development Stage Company) as of September 30, 2009 and 2008, and the related statements of operations, stockholders' equity (deficit) and cash flows for the years ended September 30, 2009 and 2008 and since inception on May 30, 2006 through September 30, 2009, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the financial statements, the Company has an accumulated deficit of \$30,913, which raises substantial doubt about its ability to continue as a going concern. Management's plans concerning these matters are also described in Note 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."
