Investor Relations Services

***Acquisitions/Mergers**

Please submit all documentation of any merger and/or acquisition. The following data points are an integral step for presentation to Mergent's Editorial Review Board, and ultimately the approval of your company's listing in Mergent's Manuals and News Reports:

- (a) Date of the consummation of the Merger/Acquisition.
- (b) Entities involved in the transaction [name of acquired or merged company or companies.]
- (c) Terms and conditions of the transaction.

If there is a *Reverse* Merger or Acquisition, the following information is also needed:

- (a) Date of the consummation of the Reverse Merger/Acquisition.
- (b) Entities involved in the transaction [name of acquired or merged company or companies.]
- (c) Terms and conditions of the transaction.
- (d) Audited financials for the company or companies in the transaction.

Pro-forma financials for the company along with the financials of the companies or company in the Reverse Acquisition/Merger with the pro-forma adjustments and pro-forma combined statement for all accounts and columns clearly identified.
