

FOR IMMEDIATE RELEASE

### Mergent Launches New Intra day Data Service – Mergent RT

October 29<sup>th</sup>, 2010 Fort Mill, SC— Mergent, Inc. today announced the launch of Mergent RT, a powerful data product suite delivering timely and accurate intra day updates to clients.

With Mergent RT, clients may receive updates on a wide range of topics including global fundamentals, fixed income, corporate actions, executive changes, earnings announcements and more, as soon as they become available. Mergent's fundamental data coverage extends to over 50,000 global companies based on globally accepted XBRL taxonomies for active companies.

Mergent RT provides market moving data that can be customized to suit clients specific information needs.

"We are excited to introduce Mergent RT, our industry leading data delivery platform." says Jeff West, Managing Director of Data feeds at Mergent. "Mergent RT allows our clients to access Mergent data in the most timely way possible, and in the end, helps them make better investment decisions."

#####

#### **About Mergent**

Mergent, Inc. is a leading provider of business and financial data on global publicly listed companies. Based in the U.S, the company maintains a strong global presence, with offices in New York, Charlotte, San Diego, London, Tokyo and Melbourne.

Founded in 1900, Mergent operates one of the longest continuously collected databases of: descriptive and fundamental information on domestic and international companies; pricing and terms and conditions data on fixed income and equity securities; and corporate action data. In addition, Mergent's Indxis subsidiary develops and licenses equity and fixed income investment products based on its proprietary investment methodologies.
