

FOR IMMEDIATE RELEASE

Mergent, Inc. Announces New Product – Mergent Intellect™

May 17, Charlotte, NC – Mergent, Inc., the exclusive provider of D&B/Hoover’s library solutions, is excited to announce another powerful product – Mergent Intellect, a new web-based product. Mergent Intellect is highly flexible and features a deep collection of worldwide business information that enables companies to generate new insightful business intelligence. Powered by Mergent’s expertise in developing products for the reference marketplace with D&B/Hoover’s 85 million+ private company database, Mergent Intellect offers new and existing clients a unique opportunity to access private and public U.S. and international business data, industry news (First Research®), facts and figures, company and executive contact information and much more.

Key Benefits include:

- Comprehensive Business Information
- Fundamental Data on Over 85 Million Global Private Businesses
- Executive Contacts on Millions of Executives
- Global Corporate Family Tree
- Data Delivery Options (Export your reports, mailing lists, etc. to Microsoft® Excel, Word or Adobe Acrobat Reader®)
- Cross-Border Searching
- **Mobile Applications (Smart phones, iPhone, iPad or tablets)**
- Public Business Information
- Ability to access via First Research and/or Key Business Ratios

Neel Gandhi, Director of Product Development, elaborates, “Mergent Intellect utilizes D&B/Hoover’s and Mergent’s dataset along with Mergent’s state-of-the-art technology allowing more flexibility and usage for the end user. And we are not done yet... shortly following the release of Mergent Intellect, Mergent will also be adding residential, consumer and census data in excess of 210 million records further enhancing this invaluable product.”

As the exclusive provider of many D&B/Hoover’s library solutions, Mergent offers a unique opportunity that provides a blend of data and top-notch technology to satisfy your research needs.

###

About Mergent

Mergent, Inc. is a leading provider of business and financial information on global publicly listed companies as well as the exclusive provider of several D&B/Hoover's library solutions.
